**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

After years of elevated bills for service bundles that I do not fully utilize, Sonic was able to provide me with a service that matches my needs at a much lower cost. I'm a semi-retired senior citizen, and the competitive pricing of my local ISP feels like I'm not being cheated. I've worked at non profits all my professional career and the savings brings a little added benefit to help pay my other expenses. Please, I urge you to keep internet neutrality rules in place, and don't allow big money interest to arrange the laws in their favor. The FCC should be keeping the citizen's interest paramount.
